PROFILE

Animation professional with international training and UK work experience, holding a Master's in Computer Animation and a Bachelor's in Animation and Filmmaking from Whistling Woods International, Mumbai. Proficient in Autodesk Maya with a strong foundation in 3D character animation, digital content production, and creative project delivery. Four years of professional experience across animation studios, university media teams, and international creative environments. Now seeking to contribute to India's rapidly growing animation and digital content industry, bringing a blend of technical animation skills, cross-cultural creative experience, and a developing interest in AI-integrated production workflows.

CORE TECHNICAL SKILLS

3D Animation: Autodesk Maya (proficient) - character animation, walk/run/action cycles, rigging, skinning, lip sync & facial animation

Software: Blender, Adobe After Effects, Premiere Pro, Photoshop, Illustrator, Substance Painter (working knowledge)

Game Engines: Unity (camera animation), Unreal Engine

AI & Emerging: NVIDIA Generative AI certified, familiar with AI-assisted creative workflows

Production: Pre-visualisation, storyboarding, asset management, pipeline workflow, digital content creation

PROFESSIONAL EXPERIENCE

Junior Animator | Finger Industries, Sheffield, UK *Dec 2024- Present*

- Worked within a professional UK animation studio, contributing to live projects using Autodesk Maya.
- Gained exposure to Unreal Engine surfacing and industry-standard production pipelines.
- Collaborated with an experienced team, developing practical understanding of studio workflow and project delivery.

Visual Merchandiser & Creative | Frasers Group (GAME) - Sheffield, UK *Aug 2024 – Dec 2024*

- Managed visual display design and execution for a large-format retail environment, ensuring brand consistency across campaigns.
- Planned and executed seasonal campaigns and promotional events with strong attention to visual quality.

Graphic Designer & Visual Merchandiser | Ted Baker - Sheffield, UK *Oct 2023 – Aug 2024*

- Produced creative assets and visual displays for a globally recognised fashion brand, maintaining strict brand guidelines.
- Collaborated with suppliers and the wider team to coordinate campaign materials across store and digital channels.

Creative & Digital Media Advisor | Sheffield Hallam University — Sheffield, UK *Nov 2022 – Oct 2023*

- Produced multimedia content (video, animation, graphics) for university campaigns and events using Adobe Creative Suite.
- Delivered digital media workshops to students and staff, demonstrating strong communication and teaching ability.
- Supported senior creators on content production projects across video, 3D, and social media.

3D Artist Intern | Vedantu Innovations Pvt. Ltd. — Bangalore, India *Oct 2021 – Aug 2022*

- Trained and worked in Unity camera animation, contributing to an internal game development project at one of India's leading edtech platforms.
- Designed stylised 3D environments and assets under senior guidance, meeting quality standards and internal deadlines.

Junior Graphic Designer | Brahmastra Defence Techno Products — Mumbai, India *Jul 2021 – Oct 2021*

- Delivered graphic design work for company website, print materials, and promotional assets.
